Introduction

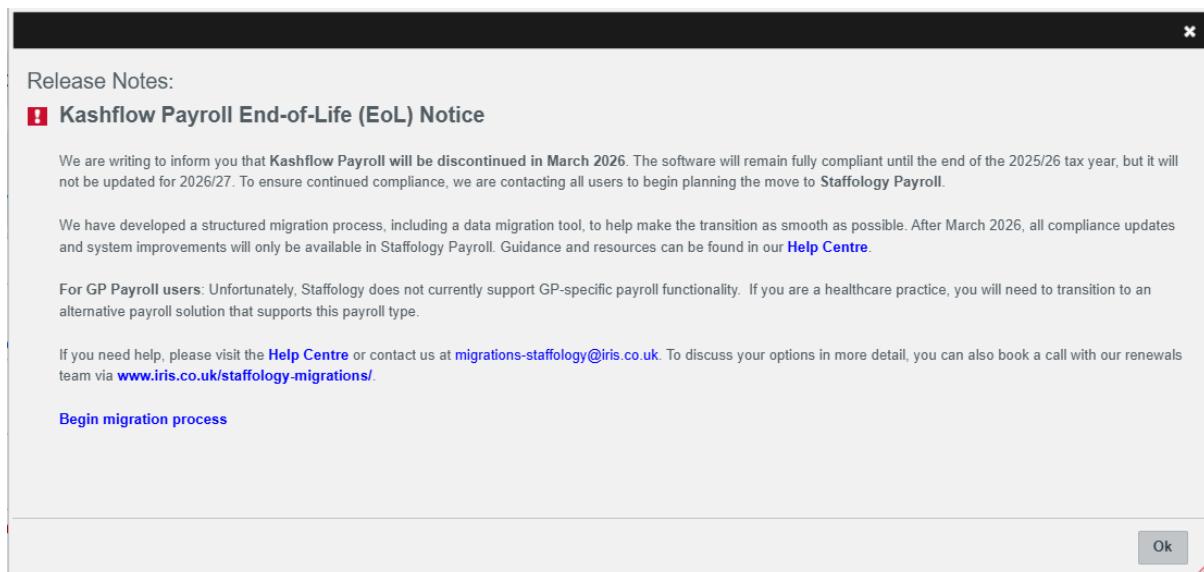

This guide has been created to support our customers as prepare for the End-of-Life of IRIS KashFlow Payroll (KFP). As of the beginning of the 2026/2027 tax year (6th April 2026), you will no longer be able to process payroll.

Why This Change is Happening

As part of IRIS Software Group's ongoing commitment to innovation and delivering the best payroll solutions, we are consolidating our offerings to focus on modern, cloud ready platforms that support current and future business needs.

In-product End-of-Life Notice

The following message is displayed each time Kashflow Payroll is opened.

The message contains useful links that will assist you with the transition from Kashflow Payroll to Staffology Payroll:

- To view guidance and resources visit our [Help Centre](#)
- To discuss your options in more detail, book a call with our renewals team at www.iris.co.uk/staffology-migrations/
- If you need help, contact us at migrations-staffology@iris.co.uk

Please note that the migration tool is **not available to GP users**, as Staffology does not currently support GP-specific payroll functionality. If you are a healthcare practice, you will need to transition to an alternative payroll solution that supports this payroll type.

What you need to know

End of Payroll Processing

- The last payroll run that is compliant and supported will be 5th April 2026
- After 5th April 2026, you will no longer be able to process payroll, but you will be able to produce P60's for the 2025/2026 tax year for current employees

Read-only Access

There will be no read only access KashFlow Payroll (KFP) post its end of life.

Your responsibilities before 5th April 2026

To ensure compliance and continuity, we recommend taking the following actions before the End-of-Life date:

Export Critical Reports and Data

- P60s, P11s
- Employee payment history
- Pension reports, submissions and enrolment status
- Payroll Journals/Nominal Codes if Kashflow Payroll is integrated with Kashflow Bookkeeping

Complete Final Submissions

- Ensure all final payroll adjustments (bonuses, terminations, holiday payouts, etc) are completed and finalised
- As with a normal Payroll Year End please ensure that all RTI Submissions for tax year 2025/2026 are submitted by 5th April 2026

Prepare for Transition

If you are moving to another IRIS solution, such as Staffology Payroll which is our cloud-based payroll software that has enhanced security, improved performance and continued support then please contact us for migration and onboarding support via www.iris.co.uk/staffology-migrations/ or by emailing migrations-staffology@iris.co.uk

Frequently Asked Questions

Will I still be able to access KashFlow Payroll after April 2026?

No. There will be no read-only access to the product post end of life.

Can I still generate reports or Year End documents?

Yes. You can run and export reports.

Will IRIS offer migration support to a new platform?

If you are moving to another IRIS Payroll product then absolutely. Please contact your account manager to discuss options or contact us via www.iris.co.uk/staffology-migrations/ or migrations-staffology@iris.co.uk.
